The amounts and sources of distributions reported in this press release and in any applicable 19(a) Notices are only estimates and are not provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon the Fund's investment experience during its full fiscal year and may be subject to changes based on tax regulations. The Fund will send shareholders a Form 1099-DIV for the calendar year that will tell them how to report these distributions for federal income tax purposes. Information on the Fund's 19(a) Notices, if any, can be found at www.vertical-incomefund.com. The final determination of the source and tax characteristics of all distributions in 2019 will be made after the end of the year.
